UNITED STATES SHIP

CHAMPLIN (DD601)

Tuesday 1 January 1946

(Day) (Date) (Month)

00 - 04

T'was the night before New Year, when in Charleston Bay,  
 The SHENANDOAH with four cans at anchor lay,  
 Now BOYLE and CHAMPLIN they were by name,  
 And NIELDS and ORDRONAU, all ships of great fame.  
 The cans were all moored to the tender with care,  
 In hopes that morning would find them still there,  
 Three manila lines and three wire cables held us in place,  
 Through the bull nose was a wire for just in case.  
 Juice and fresh water from the tender we got,  
 And steam at odd times, but never a lot,  
 Other ships present we could see through the mist,  
 If the names are desired, FAO has a list.  
 The crew was nestled all snug in their beds,  
 While memories of leave still danced in their heads.  
 Far away to the west was a gleam of light,  
 From the town where thousands got high as a kite,  
 For those on the ship who couldn't get tight,  
 We Tooted the whistle with all our might.  
 HAPPY NEW YEAR to all and to all, GOOD NIGHT.
